## Professional Summary

Curious and adaptable IT Generalist with foundational experience in web development (HTML, CSS, JavaScript), graphic design, and Facebook marketing. I enjoy experimenting with technology, solving problems, and offering advice, though I'm still in the learning phase. Proficient in Microsoft Office, Linux, multimedia editing, and operating systems, with a growing interest in AI and tutoring others in technical concepts. Always eager to expand my knowledge and apply my skills to real-world scenarios, I thrive on continuous learning and improvement
